

THE 5TH INDONESIA INTERNATIONAL WELDING EQUIPMENT, CUTTING, MATERIAL AND SERVICES EXHIBITION 2017

An Exclusive Trade Show for Welding Equipment, Cutting, Material & Services

Sub - Event:

23-25 AUGUST 2017

JIExpo Kemayoran, Jakarta - Indonesia

www.inawelding-exhibition.net

THE LEADING OPPORTUNITIES EXCHANGE IN THE WELDING INDUSTRY..

Global welding products industry enjoys strong growth from various end-user industries, primarily from the building and construction industries. Besides, it also focuses on key industries such as marine and transportation including aviation, automobile and railways.

According to the report entitled "Welding Consumables Market - Indonesia Industry Analysis, Size, Share, Growth, Trends and Forecast, 2015-2023.", the Indonesia welding equipment and consumables market was valued at US\$150.3 million in 2014 and is anticipated to reach US\$293 million in 2023, expanding at a CAGR of 7.7% between 2015 and 2023.

Welding Indonesia 2017 - Seizing The Opportunities of Welding and Cutting Business in Indonesia

The 5th edition of **Welding Indonesia 2017** will be taking place from **23 – 25 August 2017** at the **JIExpo Kemayoran, Jakarta - Indonesia**. The exhibition attracts a great number of specialists from companies carrying out operations at welding equipment, welding consumable, cutting, metallurgy, automotive industry, construction industry, marine industry and all of related to welding industry.

As the most influential welding event, **Welding Indonesia 2017** will be co-located with **INAMARINE 2017**, **Coating Indonesia 2017** and new section for **FluidTech Indonesia 2017**. The exhibition is considered as an authoritative international platform to showcase achievements in the welding industries in Indonesia. Furthermore, the show is an effective platform for business communication and marketplace among representatives of governments, stakeholders and scientists in the welding industry.

Event Fact Sheet

Show Name:

Welding Indonesia 2017

*The 5th Indonesia International Welding Equipment,
Cutting, Material and Services Exhibition 2017*

Show Date:

August, 23 (Wednesday) – 25 (Friday), 2017

Time:

23 - 24 August 2017 : 10.30 am - 06.00 pm
25 August 2017 : 10.30 am - 04.30 pm

Frequency:

Annually

Venue:

Jakarta International Expo (JIExpo) Kemayoran,
Jakarta – Indonesia

Admission:

Trade and Business Only
(Visitor under 18 will be not admitted)

Projected for The Exhibition:

Exhibitor : 350 Exhibiting Companies
Visitor : 16.000 Trade & Professional Visitors
Size Area : 25.000 Sqm (Gross)

Held in Conjunction with:

The 7th Indonesia International
Shipbuilding, Offshore, Marine Equipment,
Machinery & Services Exhibition 2017

The 7th Indonesia International
Coating, Painting, Resins &
Composite Exhibition 2017

The 5th Indonesia International
Logistics & Warehousing Exhibition 2017

Market Area With Growth Prospects :

- Indonesia is geographically well positioned to act as a regional base in Southeast Asia. A member of the G-20, Indonesia has a population of 260 million, representing the largest market in Southeast Asia and the fastest growing economy after China and India.
- The Indonesian government will invest IDR 4,021 trillion or approximately USD 400 million for the construction of roads, seaports, airports, railroads and power plants to support the development of Indonesia Economic Corridors under the Master Plan for the Acceleration and Expansion of Indonesia's Economic Development (MP3EI).
- Steel consumption in ASEAN has been growing at a compound annual growth rate of 10.7% from 2009 to 2012 and is expected to grow in the next few year.
- Automotive & transportation is estimated to be one of the fastest-growing segments of the welding consumables market in Indonesia from 2015 to 2023. Oil & gas, building & construction and power sectors are the other major end-users of welding consumables in Indonesia.

Exhibitor Scope

- Advance Welding Process
- Cutting and Mechanical Process
- Engineering
- Electron Beam Welding
- Gas Equipment & Accessories
- Inspection and Testing Tools
- Laser Equipment
- Machines and Advices/Appliances for Welding
- Robotic and Computer Aided Welding
- Repair and Maintenance Equipment and Service
- Services in Training, Auditing Certification
- Welding Equipment
- Welding Automation
- Welding Anything Machinery
- Welding Material
- Welding Services
- Other Related Welding Solution

Visitor Scope

- Automotive Industry
- Construction
- Distributors & Agent
- Engineer of Manufacturing
- Engineering Design and Installation
- Heavy Fabrication
- Mining and Metal Industry
- Machinery Manufacturing
- Oil Pipeline
- Offshore Suppliers & Support
- Oil & Gas Company
- Pressure Vessels
- Process Control and Instrumentation
- Research Instruction
- Sales/Agent
- Shipping Line/Container
- Ship Building
- Ship Repairers & Shipbuilder
- Trading & Supplier Company
- Welder Professional
- Workboat Builder
- Other

"INAWELDING 2016 is very potential show in Indonesia. The visitor is very professional and most of them are potential purchaser in welding business. It's very attractive exhibition. See you on next exhibition, Thank You."
